

Why List Your Boat with Larsen Marine's Brokerage Team?

More than 60 Years of Experience

- Offices in Illinois and Wisconsin covering the Great Lakes Region
- Dedicated sales professionals to make the selling experience seamless and hassle-free
- Approved partner with harbors from Milwaukee to Chicago to show and sell boats at those marinas

800 Boat Marine Facility

- Our facility stores and maintains more than 800 vessels each year. The average boat owner upgrades vessels every 3 to 5 years

Dedicated Brokerage Sales Area

- We have the largest dedicated brokerage sales lot in the area
- View a wide variety of boats in one location, rather than going from yard to yard
- We are dealers for both power and sailing vessels. Most yards specialize in one or the other – we specialize in both

Most Comprehensive Sailboat Rigging Facility on Lake Michigan

- Heated spar storage
- Complete rigging services from sail repairs to complete rigging repairs and refits, we service sailboats from 15 to more than 60 feet in length

Certified Powerboat Technicians

- Specializing in Mercruiser and Crusader stern drives and inboards, as well as Yamaha Outboard motors
- Our sales staff has decades of experience in the powerboat market and knows the current market conditions locally, regionally and nationally

Full Service Marine Facility

- We service what we sell – our trained technicians can diagnose and solve almost any issue
- The most trained and certified marine electronics team in the region

Family Owned and Operated for 88 years

- Three generations of the Larsen family have earned a reputation for honesty, fairness and trust. There is always a Larsen available and our clients' complete satisfaction is job #1.

Open 7 days during the boating season. We are always showing and selling boats!!!
